

How Stuart Customizes

Unique Add-on Option: Conference & Online Video Content

Organizations such as the Pacific Safety Conference, Capgemini, AAA, Best Western, Coca-Cola, and Expedia love this option! Why? Stuart is the

ONLY keynote on the conference circuit who takes the extra time to provide a **LIVING LEGACY**, shot locally (or via Skype anywhere in the world), featuring your most powerful people.

Hint: past board members!!

90 days prior to your conference start. Stuart expertly interviews people you select—who are known to be superstars in your industry—and then builds their video clips directly into his **LIVE** on-stage performance.

VIDEO CLIP BENEFITS

1. Stuart infuses this invaluable footage directly into his keynote
2. You are left with a conference living legacy that celebrates the leadership and brilliance of your people
3. An invaluable post-conference resource for you to republish to social media
