

KEYNOTE SPEAKERZ INTRO

STUART ELLIS-MYERS

a.k.a **Twitchy**

Welcome, warning, stand back and hold on because our next keynote speaker LIVES with Tourette Syndrome!!

Stuart Ellis-Myers is best described by over 860 audiences as **Robin Williams with an inspirational Twitch!** Despite living with a rare and completely bizarre neurological disorder causing him to twitch over **30 million times.**

Stuart is here to celebrate the Unstoppable Power of You! Get ready because Stuart is going to take us all on a deep dive into what it's like to spend 50 years living with anxiety, depression and bipolar while uncontrollably twitching over 30 million times.

Be prepared to laugh, learn and resurface knowing how to live an **Unstoppable life.**

Twitchy is right now literally itching to get onto this stage,

S0000000....

Please join me in giving Twitchy a warm welcome!!
